

Breeding Agreement

for the Tennessee Walking Horse Stallion

COACH JOHNNY MAJORS

(TWHBEA Reg. #20314288)

Mare's Registered Name _____ Registration # _____

- 1) The stud fee of \$300 is due in advance or upon delivery of the mare to the farm.
Book TWO mares @ \$300, get ONE FREE! Boarding fees and veterinary charges may apply.
- 2) The mare must have a six-month negative Coggins Test upon delivery to the farm.
- 3) The mare must be healthy and in sound breeding condition, free of infection or disease.
- 4) The mare will be bred by natural cover or artificial insemination. Shipped semen (styrofoam container) is available at a delivery fee of \$175/overnight or \$275 same day.
- 5) The mare will be given a HCG shot to cause her to ovulate properly.
- 6) The mare will be teased daily until ready to breed, then bred every 48 hours, unless your vet has checked your mare prior to delivery and told you what day to start breeding her.
- 7) The mare will receive proper care and feed.
- 8) The mare will be turned out daily and returned to a stall at night.
- 9) The mare should be vet checked 16 days after the last breeding.
- 10) A live foal guarantee is offered if the mare receives proper care and timely vaccinations.
- 11) The mare owner/agent agrees to pay a boarding fee of \$10/day or \$12/day w/foal, payable when mare is picked up.
- 12) The mare owner/agent agrees to pay veterinary charges which will be added to the board bill.
- 13) The mare owner/agent agrees to pay all fees/charges in full prior to the mare leaving the farm.
- 14) The mare owner/agent agrees to send a completed "Breeding Agreement" by mail or fax prior to delivery of mare to the farm. *At least one day advance notice is required!*

The terms of this contract have been read and agreed to on this _____ day of _____, 20____.
